## UPDATED CIRCULAR ON SAFE MANAGEMENT MEASURES REQUIRED FOR HOTELS

1. In response to the growing number of COVID-19 cases in the community, the Multi-Ministry Taskforce ("MTF") announced on 24 September 2021 that it would tighten Safe Management Measures ("SMMs") with effect from 27 September 2021 through 24 October 2021 (both dates inclusive).
2. We strongly urge hotels to continue surveillance and monitoring of potential non-compliance within their premises. STB takes a serious view on establishments who do not comply with the SMMs and will continue to impose strict enforcement actions against all establishments who breach them.
3. The information in this circular (which includes its annexes) supersedes that in previous advisories or statements.

### Key Updates:

#### Reduction in Social Gathering Group Size

1. Allow no more than 2 individuals (including guests and visitors) gathering on any single day in any guest room or in any pair of adjoining guest rooms where the connecting door(s) may be opened by guests during the stay (i.e. inter-accessible rooms), except where the individuals are all from the same household (i.e. same address), and even then up to the maximum number of occupants for the room type, e.g. 2 individuals for a double room, whichever is the lower.

#### Workplace arrangements

2. **Work-from-home will be the default.** Hotels must ensure that staff who are able to work from home do so. During this period, the snap 10-day Work from Home (10D WFH) regime will be suspended. There must continue to be no cross-deployment of staff to multiple premises. Social gatherings at the workplace within hotels will continue to be disallowed.
3. Employees who are unable to work from home will be strongly encouraged to self-test weekly via an Antigen Rapid Test (ART) before working onsite, if tested negative. Similarly, this applies to employees, on-site contractors and vendors, who need to return to the workplace for ad hoc reasons. The ART should be completed within 24 hours before the end of their return to the workplace. Employers should continue to stagger the start times of employees who need to return to the workplace and implement flexible working hours.
4. Please refer to MOM's advisory on workplace SMMs<sup>1</sup> for more details.

#### Dining-in at F&B Establishments

Passion  
Made  
Possible

5. **Groups of up to 2 individuals will be allowed to dine-in at F&B establishments if all the diners are fully vaccinated<sup>2</sup>.** If a group comprises 2 such children, both children must be from the same household.

6. F&B establishments that are not able to ensure that all dine-in patrons meet the criteria for full vaccination may only operate only take-away and delivery services. At this stage of the transition, entertainment such as live performances, recorded music, and videos/TV screening will continue to be prohibited. Patrons to F&B establishments are also reminded to adhere to all safe management measures and keep their masks on at all times except when eating or drinking.

#### Marriage solemnisations and wedding receptions

7. Marriage solemnisations may continue with up to 1,000 attendees (including the wedding couple but excluding solemnisers and vendors) in groups of up to 2 individuals. PET is required for all attendees unless the attendee is fully vaccinated. Otherwise, only up to 50 attendees will be allowed without PET.

8. As a special provision, wedding receptions may be allowed to continue with up to 250 attendees, with PET for all attendees unless the attendee is fully vaccinated and with a group size of up to 5 individuals per table.

#### Sports/Exercise Activities and Classes provided by gyms/ fitness studios

9. Indoor high-intensity activities, where masks are not worn, and classes are capped at 30 individuals

a. Allowed in groups of up to 2 individuals if all individuals are fully vaccinated.

10. Indoor activities where masks are worn, and all outdoor activities and classes, are capped at 50 individuals

a. Allowed in groups of up to 2 individuals only, irrespective of vaccination or test status.

11. Please refer to SportSG's advisory<sup>3</sup> for more details.

**Hotels must comply with the prevailing Sector Specific Requirements as outlined in Annex A of the hotel circular and advisories of respective agencies.**

4. The hotel industry plays a critical role in keeping Singapore safe, and it is imperative that the industry remains vigilant and disciplined in maintaining health and safety protocols.

#### Testing Regimes for Hotels

5. Fast and Easy Tests (FET) Rostered Routine Testing (RRT)

<sup>2</sup> An individual is considered fully vaccinated if he/ she has been: a) fully vaccinated, i.e. has received the full regimen of Pfizer-BioNTech/Comirnaty, Moderna or WHO EUL vaccines, with an additional two weeks for the vaccine to be fully effective, b) recovered from COVID-19, or c) has obtained a negative result on a pre-event test taken in the past 24 hours before the expected end of the event.

- 5.1. Since 15 July 2021, regular FETs are mandatory for all staff, whether frontline or back-of-house, in the following higher-risk settings:
    - 5.1.1. Dine-in F&B establishments and settings (e.g. restaurants, club lounge, function rooms, etc);
    - 5.1.2. Personal care services (e.g. facial and nail services, spas/ saunas, massage establishments, hairdressing, and make-up services);
    - 5.1.3. Gyms and fitness studios where clients are unmasked; and
    - 5.1.4. Housekeeping (e.g. laundry, room and public area cleaning).

  - 5.3. Staff will not be required to conduct FETs if their business operations are suspended. For businesses that continue to remain open (including F&B outlets that stay open for delivery/takeaways), their staff must continue with the FET requirement.
  - 5.4. With effect from 13 September 2021, the mandatory FET RRT regime for staff has been increased to once every week. The Government will subsidise costs for the ART kits and supervisory training under the FET RRT regime until the end of 2021.
  - 5.5. For more information on FET, please refer to: [https://www.gobusiness.gov.sg/images/guides/Stringent%20FET%20Notice\\_final\\_Hotels%20and%20Hotel%20Tenants\\_16%20July%202021.pdf](https://www.gobusiness.gov.sg/images/guides/Stringent%20FET%20Notice_final_Hotels%20and%20Hotel%20Tenants_16%20July%202021.pdf)
6. “Vaccinate or Regular Test” (VoRT) Regime
- 6.1. From 1 October 2021, vaccination, or regular testing in lieu of vaccination, will be required for staff working in higher-risk settings listed in paragraph 5 above. Unvaccinated individuals will have to be tested with an ART kit twice a week. For the small group that remains medically ineligible for vaccines, the Government will subsidise their tests. We strongly encourage all employers to facilitate vaccination for your employees.
  - 6.2. More information on VoRT will be shared at a later date.
7. Vaccination remains critical in our fight against the pandemic. Hotels should also strongly encourage any remaining un-vaccinated employees to get vaccinated.
  8. Hotels which are serving as Government Isolation Facilities must observe split-team arrangements and staff from different teams must not inter-mingle with one another.
  9. Hotels should review and reinforce current SMMs and remind employees to take all the prevailing measures seriously even if they have been vaccinated.
