Dear Sir/Madam

Thank you for your application. Please refrain from submitting duplicate applications, as this may result in delays. We aim to communicate to you the outcome of your application in 5 working days.

Please note that one of the conditions for resumption of business operations is the implementation of the SafeEntry system at your business premises, in accordance with the prevailing requirements at [safeentry.gov.sg](https://www.safeentry.gov.sg). In particular, this include the requirement to deploy the use of the TraceTogether mobile application or TraceTogether token scanning to log the SafeEntry check-in of all employees, associates, vendors, customers and other visitors entering your workplace premises. Supermarkets and large retail outlets that are fully within malls and buildings covered by TraceTogether-only SafeEntry and have the same operating hours, will no longer be required to implement SafeEntry nor TraceTogether-only SafeEntry. You can refer to [www.safeentry.gov.sg/deployment](https://www.safeentry.gov.sg/deployment) for more information.

We appreciate your contributions in the national fight against COVID-19. Should you have further questions, please refer to <https://www.gobusiness.gov.sg/covid/>. Thank you.
