CIRCULAR FOR HOTELS IN PHASE 3

1. The Multi-Ministry Taskforce (MTF) announced on 14 December 2020 that Singapore will **start Phase Three of re-opening from 28 December 2020**, which will allow for further re-opening of activities in the community.
2. The Multi-Ministry Taskforce had outlined three pre-conditions for moving into Phase Three, which each of us has contributed to in the past few months:
 - 2.1. Adherence to safe management measures. Most businesses and members of the public have been cooperating with safe management measures, and these efforts have helped keep community transmission low.
 - 2.2. Sufficient testing capabilities for early detection and public health action. We have ramped up Polymerase Chain Reaction (PCR) test capacity significantly to be able to run over 50,000 tests a day. We have also introduced antigen rapid tests for larger and higher-risk events.
 - 2.3. High adoption of TraceTogether for quick and effective contact tracing. As at 13 December, around 65% of Singapore residents are on the TraceTogether Programme, and we are on track to reaching the target of around 70% by the end of the year.
3. On 30 April 2021, MTF announced additional community measures that would be implemented from 1 May through 14 May 2021 (unless otherwise stated). To manage the evolving community situation, we will step up efforts to keep the community safe and break the chains of transmission by reducing interactions amongst social circles and at the workplace. Activities that involve large gatherings will also be calibrated to ensure the risk of transmission at such events are mitigated. **The additional measures announced on 4 May 2021 will take effect from 8 May through 30 May 2021, subject to the prevailing public health situation in Singapore.**
4. Singapore needs to continue to remain united and disciplined in our fight against COVID-19. This includes the hotel¹ industry. The information in this circular (which includes its annexes) supersedes that in previous advisories or statements.

¹ "Hotel" means a hotel and any other similar building or boarding premises, not being a dormitory for foreign employees, a hostel or a public institution -

(a) in which persons are lodged for hire or reward of any kind (whether or not the cost of such hire or reward is paid for by such persons); and

(b) where domestic service is provided by the owner, lessee, tenant, occupier or manager for the person so lodged
