

CEA Ref: N05-22

Date: 17 February 2022

To: Key Executive Officers and Real Estate Salespersons

Dear Sir / Madam,

[NOTICE 05-22] UPDATED ADVISORY ON PROPERTY TRANSACTION ACTIVITIES BY ESTATE AGENTS AND REAL ESTATE SALESPERSONS AS WE RESET OUR MEASURES TO LIVE WITH THE OMICRON VARIANT

1. This notice is to update Key Executive Officers (KEOs) and Real Estate Salespersons (RESs) on the measures to observe as we ride through the Omicron wave, from 25 February 2022 onwards.

Updated advisory

2. On 16 February 2022, the Multi-Ministry Taskforce (MTF) announced that the maximum number of unique visitors per household will be adjusted from 5 persons per day, to 5 persons at any one time, from 25 February 2022 onwards. The permissible group size remains at 5 persons.

3. This means that you must ensure that the following group size limit and unique visitor caps are complied with when you conduct estate agency work:

Setting	Group size limit / Unique visitor cap
Occupied property	<ul style="list-style-type: none">Before 25 February 2022: No more than 5 unique visitors (including yourself) per household per day.With effect from 25 February 2022: No more than 5 unique visitors (including yourself) <u>at any one time</u>.
Vacant property	<ul style="list-style-type: none">Unique visitor cap remains unchanged at 5 unique visitors (including yourself) <u>at any one time</u>.

4. In addition, you are encouraged to adopt non-physical means to market properties as far as possible but will be allowed to perform the following activities from 25 February 2022 onwards:

- a) Market properties (e.g. distribute flyers or set up pop-up booths) in public and common areas such as public transport nodes or mall atriums, subject to the approval of the owner of the premises, safe management measures and guidelines from the relevant authorities; and
- b) Conduct open houses but ensure that viewings adhere to the group size limit and unique visitor cap.

5. Please be reminded to keep your masks on and adhere to all safe management measures when you conduct estate agency work and in-person marketing activities. To ensure compliance with the group size limit and unique visitor cap, you will need to check that your client and the property occupant(s), if the client does not live at the property being visited, are aware of the updated rules, and the number of visitors that may visit the property.

6. Estate Agents (EAs) and RESs are advised to observe this notice and the attached guide from 25 February 2022 onwards, which supersedes the previous Notice 48-21 dated 20 November 2021.

7. Thank you.

Yours sincerely,

KELLY NG
DEPUTY DIRECTOR (POLICY & PLANNING)
COUNCIL FOR ESTATE AGENCIES

[Annex – CEA Guide on Property Transaction Activities by EAs and RESs as we Reset our Measures to Live with the Omicron Variant \(17 February 2022\).](#)

As at 17 February 2022

**Annex to
CEA Notice 05-22**

CEA GUIDE ON PROPERTY TRANSACTION ACTIVITIES BY ESTATE AGENTS AND REAL ESTATE SALESPERSONS AS WE RESET OUR MEASURES TO LIVE WITH THE OMICRON VARIANT

1. This Guide sets out how Estate Agents (EAs) and Real Estate Salespersons (RESs) can conduct your operations at your office and your property transaction activities in a safe manner to minimise the risk of transmission of COVID-19. This Guide has been updated following the Multi-Ministry Taskforce's (MTF) announcement on 16 February 2022.
2. In addition to this Guide, you must follow all mandatory requirements and guidance issued by other government ministries and agencies (see [Appendix](#)).

GENERAL PRINCIPLES

3. The real estate agency industry has an important role to play in reducing the spread of COVID-19 in Singapore. We must remain vigilant in our fight against COVID-19. The following general principles will continue to apply to EAs and RESs:
 - a. **Fighting COVID-19 is our collective responsibility:** The real estate agency industry shares the responsibility of protecting yourselves and the community you serve to minimise the risk of community transmission. All of us must continue to exercise social responsibility to prevent new cases and clusters from emerging in our industry and community.
 - b. **Safe management measures should be an integral part of property transaction activities:** As you conduct your operations and property transaction activities, you should continue to adopt a cautious approach and accord priority to protect public health and safety.

CORPORATE FUNCTIONS

General requirements

4. You are to comply with the Ministry of Manpower's (MOM) requirements for safe management measures (click [here](#)) and workforce vaccination measures at your office (click [here](#) for MOM's webpage and [here](#) for CEA's Notice 03-22 on workforce vaccination measures).

Group or mass activities

5. You are encouraged to use information technology (IT) tools such as video or virtual conferencing platforms, in place of group or mass activities.

6. If a group or mass activity cannot be done virtually, EAs must adopt a cautious approach and reduce the number of people interacting with one another and the duration of the activity. EAs must comply with relevant safe management measures and guidelines for events and activities¹, such as limits on capacity and group sizes.

PROPERTY TRANSACTION ACTIVITIES

Standard requirements for on-site property transaction activities

7. You should continue to use IT tools and solutions for your work as much as possible, and only meet your clients in person if it is necessary for the conduct of the property transaction. If the activity cannot be done virtually, you must take the necessary safe management precautions and record the details of all persons whom you meet. This means that:

- a. EAs and RESs must adopt the following precautions and ensure that all persons at the activity do the same (hereinafter referred to as “**safety precautions**”):
 - i. Wear masks².

¹ This includes consumer-facing events, such as property launches, roadshows and other marketing events.

² Where all individuals present at the activity are wearing masks, safe distancing is encouraged but not required. Face shields should not be used as a substitute for mask wear, except for certain exceptions as permitted by the Ministry of Health (MOH). Please click [here](#) to refer to MOH's frequently-asked questions on masks.

- ii. If a person who turns up for the activity is unwell (e.g. exhibits respiratory symptoms and/or has a fever), ask him not to participate in the activity, and to see a doctor.
- b. If the activity is conducted in premises where safe management measures are not in place (e.g. at a client's place of residence) or at the transaction property (whether occupied or unoccupied), you must record the entry of your client or any person accompanying you into the premises (hereinafter referred to as "**contact tracing requirements**"). You may choose to keep the records manually or using other methods³.
- c. If you are conducting viewing, handover or takeover activities, you are encouraged to take appropriate measures to reduce contact with surfaces (hereinafter referred to as "**contactless requirements**"):
 - i. Encourage all attendees to sanitise their hands.
 - ii. Open doors and windows, and switch on lights in the property so as to minimise your client touching these during the on-site activity. If the property is occupied, you may wish to request the occupant(s) to do so prior to the activity.
 - iii. Request your client not to touch surfaces within the premises. You may wear gloves to prepare and facilitate the viewing, handover or takeover with minimum contact of the property by your client.
 - iv. Avoid handing out materials at the meeting (e.g. marketing materials or documents relating to the handover or takeover such as end-of-tenancy checklist, inventory list or property condition report). You are encouraged to use electronic means to deliver such materials to your client.

³ EAs and RESs are encouraged to adopt the use of TraceTogether via the TraceTogether token or mobile application for all your estate agency work with your clients and whenever you engage and meet other people in the course of your activities.

Listing and marketing properties

8. You are encouraged to market properties using non-physical means (e.g. digital or telephone marketing).

9. If you engage in door-to-door marketing activities (e.g. canvassing from door to door to request owners of unlisted properties if they would like to sell their property) or marketing activities (e.g. distribute flyers or set up pop-up booths) in public and common areas such as public transport nodes or mall, you must do so in a safe and responsible manner, and:

- a. Comply with the safety precautions stated in paragraph 7(a), as well as the safe management measures and guidelines from the relevant authorities.
- b. Record the details of your activities such as location, date and time (start and end) to facilitate contact tracing efforts should the need arise.
- c. Not block paths or cause any obstruction.
- d. Not cause crowds to form.
- e. Minimise the time spent with client(s) and prospective client(s).

10. If you lease enclosed premises in buildings zoned for retail use such as malls to conduct property transaction activities, you are to comply with the safe management measures for retail establishments that have been set out by Enterprise Singapore (ESG), Housing & Development Board (HDB), Singapore Tourism Board (STB) and Urban Redevelopment Authority (URA). The measures that apply to all customer-facing operations of retail establishments include safe distancing, crowd management, contact tracing, health checks, cleanliness and hygiene measures.

11. EAs and RESs may enter properties to photograph or film the properties in order to conduct online viewings thereafter, subject to the consent of the seller or landlord. In addition, you must:

- a. Comply with the safety precautions and contact tracing requirements as stated in paragraph 7(a) and paragraph 7(b) respectively.
- b. Check with your client and occupants (if any) of the property (whether vacant or occupied) to ensure that your visit would not exceed the cap of

five unique visitors at any one time. Such visitors include you and any professional whom you engaged to assist you with preparing the property for listing or virtual viewing (e.g. video production crew).

- c. Minimise the amount of time spent in the property.
- d. Minimise interactions with the occupant(s) if the property is occupied.

Meeting your client

12. You are encouraged to continue using IT tools in place of face-to-face interaction, such as video or virtual conferencing platforms to meet with your client.

13. If the meeting cannot be done virtually (e.g. to sign property transaction documents that require “wet-ink” signatures), you should do so in premises where safe management measures are in place, such as the EA’s office. You should reduce the number of persons attending the meeting to the minimum extent possible.

14. If you meet your client at his place of residence or at the transaction property, you must:

- a. Comply with the safety precautions and contact tracing requirements as stated in paragraph 7(a) and paragraph 7(b) respectively.
- b. Check with your client and occupants (if any) of the property (whether vacant or occupied) to ensure that your visit would not exceed the cap of five unique visitors at any one time. Such visitors include you and any other person who is visiting the property.
- c. Minimise the time spent with the client.

Conducting viewings

15. You are encouraged to arrange for virtual viewings first before doing viewings in person to reduce the number of viewings that your client will need to decide on the property.

16. When conducting physical viewings and open houses, you are to:
- a. Comply with the safety precautions and contact tracing requirements, and are encouraged to adopt contactless measures as stated in paragraph 7(a), paragraph 7(b) and paragraph 7(c) respectively.
 - b. Ensure that the start and end times are clearly stated and known to the attendees of the viewing and open house. Keep viewings short and end by the scheduled end time. You are encouraged to avoid back-to-back viewings. There should be a time gap between viewings to prevent gatherings or physical interactions with other persons from taking place in or near the property, and ensure that crowds do not form outside the property during open houses.
 - c. Check with your client and occupants (if any) of the property (whether vacant or occupied) to ensure that your visit would not exceed the cap of five unique visitors at any one time. Such persons include you and any other person who is visiting the property⁴.
17. Where advisories have been issued by relevant authorities (e.g. by URA) in relation to clients' business activities, EAs and RESs should adhere to these advisories and advise their clients accordingly.

Signing and delivering estate agency agreement and property transaction documents

18. You should continue to use IT tools and solutions as much as possible, and only meet your client in person if it is absolutely necessary for the conduct of the property transaction. This means that you should:
- a. Use electronic means to deliver and receive the documents from your client.
 - b. Arrange for a phone, video or virtual meeting to go through and explain the clauses in the documents to your client. You must give your client sufficient time to read and understand the meaning and consequences of the provisions in the documents.

⁴ Please note that the unique visitor cap applies to the entirety of the property that is separated from other units or lots of property. For a landed residential property, this includes the house, garden, patio etc.

- c. Use electronic signatures in place of “wet-ink” signatures for signing of the estate agency agreement.
- d. If you meet the client at a property, ensure that your visit would not exceed the cap of five unique visitors (which includes yourself) at any one time.

19. Different organisations such as banks and the transacting parties may have their own policies or preferences on the use of electronic signatures. Contracting parties may consider the use of secure electronic signatures for property transactions for greater assurance, such as “Sign with SingPass”, which allows SingPass users to use the SingPass mobile application to digitally sign an electronic document. You should seek advice from appropriate professionals such as lawyers if you or your client have any doubt in relation to the use of electronic signatures for these documents.

20. Please note that HDB currently does not allow the grant or exercise of the option to be done remotely or electronically. Forms prescribed by HDB, such as its Option to Purchase form, require “wet-ink” signatures.

Handing or taking over rental properties

21. You may assist to facilitate the handover or takeover of rental properties. However, you should first arrange for virtual meetings to discuss handover or takeover matters.

22. When meeting, you should keep interactions short and adhere strictly to the group size cap and/or visitor cap. In addition, you must comply with the safety precautions and contact tracing requirements, and are encouraged to adopt contactless measures as stated in paragraph 7(a), paragraph 7(b) and paragraph 7(c) respectively.

CONCLUSION

23. Where mandatory requirements and guidance by other government ministries and agencies have been issued, you should adhere to them and advise your client accordingly. These authorities include Ministry of Health, Ministry of Manpower, Ministry of Trade and Industry, Building and Construction Authority, ESG, HDB, STB,

URA, and Singapore Land Authority. You may refer to the resource reference at the [Appendix](#).

24. As we ride through the Omicron wave, we seek your continued support and cooperation to remain vigilant and adhere to the safe management measures to protect the health and safety of your employees, RESs and the community.
