2 Activities or settings where large numbers of people are likely to come into close contact, either in enclosed spaces, and/or for prolonged periods of time, must remain closed for now. These include but are not limited to karaoke rooms, bars predominantly serving alcoholic drinks, and disco rooms. Relevant Government agencies will provide updates subsequently on when and how these activities can resume.

3 Barbeque pits have been and will continue to be temporarily closed with effect from 1 May 2021 until further notice.

Safe Management Measures (SMMs)

4 Starting from 17 May 2021, TraceTogether-only SafeEntry (TT-only SE) has been implemented at the entrance of country and recreation clubs. All employees, vendors, associates, members and visitors must scan in using TT-only SE. Starting from 15 June 2021, SafeEntry Gateway has been deployed as an additional mode of SafeEntry check-in to facilitate a more seamless check-in experience and to ensure that TT tokens are accepted and working. Country and recreation clubs are required to deploy the SafeEntry Gateway by 15 June 2021. The full list of venues required to deploy SafeEntry Gateway can be found on the SafeEntry website (go.gov.sg/gateway-overview).

5 Country and recreation clubs must put in place measures that are in line with MOH's safe management measures, Enterprise Singapore's requirements for F&B and retail outlets, SportSG requirements for sports and physical activities, MOM's requirements for workplaces and work-related events, and any other relevant requirement or guidelines by Government agencies on safe management measures¹ for the resumption of services:

- a. Individuals to maintain safe distance of at least 1 metre at all times;
- b. Group sizes should be limited to no more than 5 persons, with a safe distance of at least 1 metre to other groups or individuals, and with no mixing or interaction between groups.

¹ As found on <https://covid.gobusiness.gov.sg/safemanagement/sector>

- c. If the activities involve exercising or playing of sports, then a safe distance of 2-3 metres must be maintained. For details, please refer to the sports sector enterprises advisory on <https://covid.gobusiness.gov.sg/safemanagement/sector/>

6 Clubs must also adopt the following SMMs to mitigate the risk of transmission between facility users:

- a. **All facilities and shared areas** must be frequently cleaned and disinfected. Equipment should be thoroughly wiped down and cleaned. Indoor spaces should be kept well-ventilated. For non-air conditioned spaces, windows should be kept open and additional fans should be put in place where possible.
- b. For **dining in**, please refer to the advisory for F&B establishments on <https://covid.gobusiness.gov.sg/safemanagement/sector/>
- c. For **sports facilities** (e.g. hard courts, swimming pools), please refer to the sports sector enterprises advisory on <https://covid.gobusiness.gov.sg/safemanagement/sector/> for more detailed SMMs.
- d. **Function rooms and event facilities** can be used for marriage events, wakes and funerals, training/classes, and work-related events. For more detailed SMMs, please refer to the relevant advisories on <https://covid.gobusiness.gov.sg/safemanagement/sector/>
 - i. Training, workshops and classes (excluding exercise classes). They may also be used for training, workshops and classes provided by permitted training providers or instructors, up to a total of 50 persons (including any instructors) or a lower number depending on the room's size and safe distancing requirements. All individuals must maintain a safe distance of 1 metre at all times, and where this is not feasible or practical, individuals may be grouped in groups of no more than **5 persons**, with no mixing or interactions between groups.
 - ii. Work-related events. Subject to the capacity limit of the room or facility, it may also be used for work-related events of up to 50 persons (excluding club staff). Details of the SMM requirements for work-related events can be found on: <https://covid.gobusiness.gov.sg/safemanagement/general/>.
 - iii. For individuals who wish to book the room or facility for their own use, or all other purposes, the gathering must not exceed **5 persons**.
- e. Clubs must ensure that the use of the function rooms and event facilities are in line with the maximum permissible group size as set out in the COVID-19 (Temporary Measures) (Control Order) Regulations 2020.

7 Examples of how clubs can implement the SMMs include using a booking system to manage the number of individuals using a facility at any one time, or using CCTV surveillance or patrolling security (where available) to monitor the use of common facilities.

Rules that Individuals Must Comply With

8 Clubs should also remind members and visitors that only small-group social gatherings of up to **5 persons** are allowed within the grounds and shared facilities.

9 All individuals, including staff, members, and visitors, must continue to wear a mask when using facilities within the club premises.
